1) Welcome Message

Welcome to Skylark Junior School. We are proud to be a community-focused school offering a learning experience that is structured, supportive, and learner-centered. Our goal is simple: to provide every child with strong foundations in literacy and numeracy, the confidence to express themselves, and the values that shape good character. We warmly invite you to visit our school, meet our teachers, and experience how we combine the CBC curriculum with Montessori methods to nurture independent and capable learners.

2) About Skylark Junior School

Skylark Junior School is located along Zakheem Road (Mshomoroni Road) adjacent to Taifa flats in Mwisho wa Lami and serves learners from **Playgroup to Grade 4 (as of now)**. We believe quality education should be excellent, nurturing, and practical. Our school combines the national CBC framework with a Montessori-inspired approach to help learners develop both academic strength and real-life skills. At Skylark, we aim to develop learners who are confident, disciplined, respectful, and prepared for the next stage of their education.

3) Our Vision and Mission

Vision

To offer quality and excellent educational training to all learners.

SKYLARK JUNIOR SCHOOL

Mission

To create, promote, and build an excellent learning environment that will inspire learners to excel in education and bring impact to society.

4) Our Core Values

At Skylark Junior School, we cultivate a positive school culture built on:

- **Professionalism**
- **Honesty and Integrity**
- **Team Spirit**
- **Hard Work**

5) The Skylark Promise

When families join Skylark Junior School, we commit to:

- **Quality learning** through a balanced CBC + Montessori approach
- **A safe and supportive environment** for every child
- **Individual attention** to help learners grow at their best pace
- **Strong values and discipline** that build character and responsibility
- **Clear communication with parents** and partnership for learner success

6) Our Approach: CBC + Montessori

Why CBC?

CBC focuses on developing competencies and practical learning. Learners grow in:

- Communication and collaboration
- Creativity and critical thinking
- Citizenship and responsibility

SKYLARK JUNIOR SCHOOL

- Problem-solving and real-life application

Why Montessori?

Montessori builds independence and confidence through hands-on learning. Learners develop:

- Focus and concentration
- Practical life skills (order, responsibility, self-care)
- Learning by doing, exploring, and improving
- Confidence through structured choice and guidance

The Result

By combining CBC with Montessori methods, Skylark learners grow with strong academic foundations, practical skills, and good character.

7) Programs Offered

Skylark Junior School offers learning from early years through upper primary:

Playgroup

A gentle start focused on social skills, routines, communication, play-based learning, and early independence.

Pre-Primary (PP1 & PP2)

Learners develop early literacy, number sense, creativity, and classroom readiness through structured activities and Montessori-style routines.

Lower Primary (Grade 1–3)

A strong foundation phase focused on reading, writing, mathematics, and confidence-building. Learners grow through practice, guidance, and supportive feedback.

Upper Primary (Grade 4–)

A deeper learning phase focused on academic strength, projects, problem-solving, and preparing learners for the next level of schooling.

8) Teaching and Learning

At Skylark Junior School, learning is:

- **Structured:** Clear routines and expectations help learners focus.
- **Engaging:** Activities keep learners active and interested.
- **Supportive:** Learners are guided patiently and consistently.
- **Progress-focused:** Teachers identify gaps early and support improvement.

Our classrooms encourage learners to ask questions, express ideas, work independently, and collaborate respectfully with others.

9) Assessment and Reporting

We use continuous assessment to track learner progress and identify areas for improvement. Parents are kept informed through:

- Regular teacher feedback
- Classwork and performance evidence
- Termly progress updates/reporting
- Parent-teacher meetings (as scheduled)

10) Student Life (Beyond the Classroom)

A good education develops the whole child. Skylark supports learner growth through:

- Co-curricular activities (where applicable)
- Creative expression (art, music, performance)
- Physical development and sports
- School events and celebrations
- Character building and leadership opportunities
